

STAUFFER EARNINGS 'STEADY'

Net earnings of Stauffer Chemical Co. for the third quarter of 1957 were \$3,326,390 or 98 cents per share, compared with \$3,323,000 or 96 cents per share in the third quarter of 1956.

Net sales for the quarter were \$42,503,000, a decrease of about one per cent from sales of \$43,082,000 in the

same period last year. Sales and earnings for the nine months ending Sept. 30, 1957, \$121,840,000 and \$10,480,000 respectively, compared with sales of \$123,552,000 and earnings of \$10,687,000 for the first nine months of 1956.

According to Hans Stauffer, president, demand for most of

the company's industrial chemicals remained at satisfactory levels during the quarter, with the particular exception of products sold to the titanium industry. Price increases have been affected in most product lines. Sales of agricultural chemicals have continued below 1956 levels.

Earnings for the year to date

have been adversely affected by increased expenditures for research and development, and by increased charges for depreciation, Stauffer said. The increases amount to \$855,000 and \$858,000 respectively over the corresponding periods of 1956.

DRUG OUTLETS
There are about 60,000 retail druggists in the U. S.

Contract Awarded for New South Bay May Co. Store

Contracts for the seventh and newest of the May Co. Southern California department stores were awarded this week by Tom May, executive vice president of the organization, with the completion date set for October, 1958.

Lindgren & Swinerton, Inc., general contractors, were given a \$6,000,000 contract to build

the four-story, 360,000-square-foot structure at the new \$15,000,000 South Bay Center, 174th St. and Hawthorne Blvd.

The May Co. store will be the last structure to be erected in the 55-acre Brody Investment Co. development, where 37 stores already are in operation. The A. C. Martin Co. will serve as architects and en-

gineers.

Steel on the new project is being erected now, May said. It will face Hawthorne Blvd. and will have parking space for 5900 automobiles.

The contemporary style of the building will follow the original work done by A. Quincy Jones and Victor Gruen & Assoc., who collaborated on the design and engineering of the South Bay Center.

The center serves a populace of some 600,000 in a five-mile area covering Redondo Beach, Hermosa Beach, Manhattan Beach, Torrance, Gardena, Lawndale, Hawthorne and the Palos Verdes Peninsula and

EXHIBIT AT GALLERY TO OPEN TODAY

An invitational collage and sculpture exhibition will open today and run through Nov. 15, at the Exodus Gallery, 235 Sixth St., San Pedro.

Major artists and selected unknowns from the Southern California area have been invited to exhibit works in pasted paper, textiles, and other materials which form the "collage school." The gallery will be open, free of charge, Tuesday through Saturdays from 11 to 5 and on Sundays from 2 to 5. It is closed Monday.

First developed by Picasso and Braque, the collage technique involves pasting odds and ends of daily human existence on canvases.

A selection of contemporary Southern California sculpture in all media also will be shown.

Enrollments Still Open in Machine Shop

Adults, 18 years or older, still may enroll in adult education machine shop classes in two locations.

The Torrance High machine shop class, 200 W. Carson St., meets on Monday and Wednesdays at 7 p.m. in the shop building. The machine shop class at North High School, located at 182nd and Yukon Ave., meets at 7 p.m. on Tuesdays and Thursdays.

Students work on projects while being given instruction in the use of the power saw, drill press, grinder, lathe, shaper, milling machine, and other special tools. Classes are designed to help students advance in the machine shop industry.

The classes are open to both beginners and advanced students. Anyone interested should go directly to the class register.

Bike Safety Program Held

Three assemblies stressing bicycle safety were held recently at Casimir Elementary School recently, with Patrolman A. L. Jackson of the Torrance Police Traffic Division as speaker.

Literature supplied by the Auto Club of Southern California and the Torrance Police was distributed, accompanying Jackson's talk on proper arm signals and accidents caused by carelessness.

Youngsters also saw the Walt Disney film, "I'm No Fool on a Bicycle," while bulletin board demonstrated dots and don'ts of bike riding. Mrs. Claire Eyre, school nurse, headed arrangements for the assembly.

DILUTED SEA
The Caspian Sea, once a part of the ocean, has become so diluted now that its salt content is less than one-third that of the Atlantic.

Appliances Stolen From Local House

Household appliances valued at \$45 and \$2 in a piggy bank were reported stolen from the home of Donald Allen, 18436 Roslin Ave., Torrance police reported Friday.
